

HOUSE of YOGA & PILATES

## General Terms and Conditions for Reformer Pilates Instruction:

1. The selected subscription entitles the holder to attend the agreed training sessions. Training is guided by instructors within the premises of House of Yoga and Pilates. Individual sessions must be paid for in advance immediately after booking; subscriptions are to be settled within two weeks of invoicing.
2. **2. Special Offer:** With a currently valid Reformer subscription, it is possible to book Mat Classes at a reduced price of CHF 35.— instead of CHF 45.—. These sessions must be paid for in advance.
3. Booked appointments must be canceled at least 24 hours in advance. If cancellation is not made in time, the missed lesson will be invoiced.
4. Unused training hours of a subscription or credit cannot be refunded.
5. Subscriptions are valid for 4 months. Training opportunities are flexibly expanded or reduced according to demand and adjusted on public holidays. A fixed schedule cannot be guaranteed; the current schedule can be viewed at any time in the booking tool.
6. In the event of an interruption of training due to illness or accident, a time credit will be granted to the participant, provided the prevention lasted at least seven consecutive days and proof is provided with a medical certificate. The time credit is granted for the duration of the illness or convalescence, for a maximum of 6 months. A monetary refund of a time credit is expressly excluded.
7. A subscription or credit is transferable to a third party once.
8. Participants undertake to appear in the studio five minutes before the start of training. In the event of arrival later than five minutes after the start of training, there is no longer any claim to access the training room. Late participants can no longer be admitted out of consideration for the flow of the lesson and the other participants.
9. Participants are responsible for keeping track of their own bookings, lessons, and subscriptions. House of Yoga and Pilates cannot guarantee that reminders regarding the expiration of a subscription or open lessons will be delivered in time. It may therefore happen that invoices for open lessons are issued late. If further lessons are attended after the subscription has expired, these will be invoiced as individual lessons or as a new subscription.
10. House of Yoga and Pilates cannot be held liable for business interruptions as a result of force majeure.
11. Within the premises of House of Yoga and Pilates, there is no liability for the loss of personal effects or valuables.
12. There is an obligation to report any health restrictions to the training management that were not already noted in the health sheet. No liability is assumed for consequential training damage.
13. With the purchase of a training session, agreement to this arrangement is expressly declared. It is further confirmed that all information provided is truthful.
14. The GTC also apply to all training sessions within the House of Yoga and Pilates studio.
15. The amount agreed above is due after signing and must be paid in full in advance.
16. The exclusive place of jurisdiction for this agreement is Horgen; Swiss law is applicable.
